

Annual Report 2025-26

“Education is not the learning of facts, but the training of the mind to think.” — Albert Einstein

With the remembrance of Suttur Guruparampare, my humble pranams goes to the lotus feet of His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamigalavaru, 23rd pontiff of Suttur Math.

My humble pranams also goes to, lotus feet of His Holiness Jagadguru Sri Sri Shivarathri Deshikendra Mahaswamiji, Jagadguru Sri Veerasihmasana Mahasamstana Math, Suttur Srikshetra.

It is an enduring tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both expected and unexpected, while setting various milestones and then synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude. We thank almighty for all the blessings bestowed upon us year after year.

It gives me an immense pleasure to welcome the president of the programme of the evening Prof S P Manjunath, Secretary-1, JSS Mahavidyapeetha Mysuru in his absentia. Chief Guest of the occasion Sri L Krishnanaik, MLA Huvinahadagali constituency. Presiding officer of the program Sri. Venkatesh Ramchandruppa, Deputy Director of Public Instruction, Vijayanagara District and all the invited dignitaries and parents community present here on this auspicious occasion of, 17th Annual Day Celebrations of our school. Your presence gives us great joy and happiness this evening. My hearty welcome to, one and all present here. I would like to thank you all, for responding to our invitation and gracing this occasion.

JSS Public School, Huvinahadagali, continues its journey of excellence in education by nurturing young minds with knowledge, discipline, and values. Guided by the noble vision of the JSS Mahavidyapeetha, our school strives for holistic development—academic, physical, moral, and cultural.

The academic year 2025–26 has been a year of learning, innovation, and meaningful achievements.

School is progressing in leaps and bounds towards its mission- **"To meet global challenges with value orientation and liberation of mind"**. Achieving excellence is at the heart of venture of all educators and academic institutions.

We share the yearly updates of our activities we take the reticence to say that we did our best as we had planned and we are proud of our students and teachers who strive too hard to achieve beyond expectations.

We set standards and goals for ourselves and strive to achieve them-be it in the area of academics, sports, discipline, leadership and more.

School annual report articulates and demonstrates the dynamic nature of our school, our commitment to excellence and our relentless pursuit of achieving our best. With a deep sense of exhilaration and delectation, I present the nutshell of all the activities in my annual report of the year 2025-26.

Management:

We are extremely grateful to the JSS Mahavidyapeetha and the honourable management, whose constant guidance, encouragement, and support have strengthened our institution.

The management of the School is in the able hands of JSS Mahavidyapeetha head quarter situated at Mysuru. Their foresight and commitment to quality education have provided the right direction and motivation to both staff and students. The President of the JSS Mahavidyapeetha, Jagadguru Sri. Sri. Shivarathri Deshikendra Mahaswamiji has been inspiration to us in all respect. And also the source of success for all those associated with the Vidyapeetha. My sincere thanks to His Holiness Swamiji, also my sincere thanks goes to the Executive Secretary Dr. Betsurmamath, Sri S.P.Manjunath, Secretary-1, the Deputy Director of the public schools division Shri. Ashok Palya, and the other officers of the management for their help, and support during this year.

I express my heartfelt gratitude to the management for their unwavering support in all our academic and developmental activities.

Enrolment:

“Every child is a different kind of flower, and together they make a beautiful garden.”

During the academic year 2025-26, our school recorded a steady and satisfactory enrollment across all classes. The growing strength of students reflects the confidence and trust of parents in JSS Public School, Huvinahadagali, as a centre of quality education and value-based learning. The school was reopened for this academic year on 23-05-2025, Friday with the strength of 540 students. 47 students of class X are going to leave us after completing STD X board examination which will be held in the month of February.

Academics

“Success is the sum of small efforts repeated day after day.”

Academic excellence remains our primary focus. Our students have performed commendably in periodic tests, internal assessments, and annual examinations. Teachers adopted learner-centric methods, activity-based learning, and regular revision to ensure conceptual clarity.

Special remedial classes were conducted for slow learners, while enrichment activities were provided for advanced learners to help every child progress according to their potential.

This year has been truly rewarding year- each day having its own spice and flavor, to savour. In February 2025, 64 students of grade 10 appeared for the All India Secondary Schools Examination (AISSE), which was conducted by CBSE-New Delhi and all the students passed with good grade. 28 out of 64 students passed with distinction, 30 students passed with first class, 05 of them secured second class and 1 student secured pass class in standard X board exam.

From past 11 years our school has produced 100% result in Standard X board exam. This was possible because of the continuous efforts put by the dedicated staff and by taking extra classes and other remedial measures to improve them. It's a matter of great importance to us that the students who pass out from our portals, should carry forward the values they have inherited, excelled in whatever they do and be the role models to the society.

Information and Communication Technology

In keeping with modern educational practices, ICT has been effectively integrated into the teaching-learning process. Smart classrooms, digital teaching aids, audio-visual resources, and online educational content have enhanced classroom interaction and student engagement, making learning more effective and enjoyable.

We are thankful to the management for providing High-Speed internet (100mbps) facilities to the computer lab, Principal office and school general office. As per the CBSE guidelines LAN facilities are mandatory. We have installed LAN facilities for all the computers that enabled us to conduct SAFAL exam successfully for classes VI and IX this academic year.

Teaching Faculty

“Teachers are the builders of the nation.”

Our school is blessed with a team of dedicated, qualified, and committed teachers who work tirelessly for the academic and personal growth of students. Teachers regularly participate in training programs, workshops, and meetings to upgrade their professional skills and adopt innovative teaching strategies.

I sincerely appreciate the dedication, patience, and passion of my teaching and non-teaching staff.

On this joyous moment, I thank each and everyone for their support and encouragement; the dedication and untiring efforts that have taken JSS Public School to the towering heights of success and accomplishments. The following teachers have joined JSS family this academic year:

1. Mrs. Savitha T, NST
2. Ms. Simraan M, Computer Science
3. Mrs. Sudha M, PRT in Hindi
4. Ms. Navya S M, PRT in Science
5. Mr. Hariprasad, PRT in Mathematics
6. Mr. Praveen Sheeni, PRT in English

Infrastructure

“A good environment creates a good learner.”

JSS Public School, Huvinahadagali, provides a safe, clean, and student-friendly infrastructure. Spacious classrooms, well-maintained laboratories, a well-stocked library, playground facilities, and hygienic surroundings contribute to a positive learning atmosphere and the overall well-being of students.

The civil work of the school auditorium is completed and sound and lighting system was installed few months ago. The auditorium is being used for conducting school assembly in the morning, co-curricular and extra-curricular activities for the school and B Ed college students. It will accommodate around 600 students.

- A part of JSS B Ed college boys hostel was converted as “Guru Nivas”. The lawn mats and flowering plants are planted. A garden is developed in front of the “Guru Nivas.”
- We are happy to inform you that the existing B.Ed College Girls Hostel is converted as KG classrooms. 8 rooms like classrooms, activity rooms, principal room, audio-visual rooms are being utilised since the beginning of this academic year.
- As per CBSE norms, we are supposed to have separate chemistry lab, physics lab and biology lab. The construction of the above said labs work is completed; they can be used from the academic year 2026-27.
- The existing numbers of washrooms were inadequate to meet the requirements of the present school strength. Hence, construction of additional washrooms for boys and girls separately is constructed and is used by students from the beginning of this academic year.
- As the number of staff is increasing year after year, it was a need to construct adequate washrooms for staff also. We are happy to inform that construction of additional washrooms is ready and being used since the beginning of this academic year.

The school annual sports meet was held on 8th December 2025. The event was a huge success, with students from classes IV to X participating in a variety of sports and game events. The day began with a march past by all the four house students, followed by the opening ceremony i.e. by the torch bearers. The Tungabhadra house emerged as champion house.

- Master H Sankalp's (STD X) secured first place at District level drawing and painting competition and has been selected for the State Level drawing competition organised by Kannadaprabha, Asianet, Suvama News-2025 held at Hospete.

- I am happy to inform parents' community and other dignitaries who have gathered here that around 59 students participated in various cultural competitions organised by the Jathra Mahotsava Samithi at Suttur on 18-01-2026.

- A State-Level Drawing and Painting Competition was conducted by the Suttur Jathra Mahotsav Committee at Suttur on 18-01-2026, Sunday. Master Rahul M M of grade X has secured second place with cash prize 3000/-. Miss Kruti Karanam from grade 6 has secured third place with cash prize of Rs. 2000/-. Miss Inchara C M of class IX has secured fourth place with cash prize Rs. 500/-.

In the Junior Category, our students have secured 3rd place in Group Dance, 5th place in Group Singing, and 5th place in Classical Music.

In the Senior Category, our students have secured 2nd place in Group Dance, 4th place in Group Singing, and 3rd place in Classical Music.

"The future belongs to those who believe in the power of education."

Towards the end, the academic year 2025-26 has been a successful and enriching year for JSS Public School, Huvinahadagali. As we celebrate our 17th Annual Day, let us renew our commitment to excellence, discipline, and values.

I extend my sincere thanks to the management, parents, teachers, staff, and my dear students for their cooperation and support.

Together, let us march forward towards a brighter future.

Thank you one and all.
